I wonder how Jesus was like you?

I wonder why God sent his son Jesus to live here on earth?

I wonder how you can follow Jesus and live like him?

Lord Jesus,

You were a child just like me.

You lived with your parents and helped with the chores.

You liked to be with your friends and to celebrate.

You knew how to be kind and gentle to people who were sad and lonely.

You were a child just like me.

Help me Jesus to be like you.

Through Christ our Lord Amen.

Night night, sleep well, God bless x
