I wonder why people needed God to rescue them?

I wonder how Jesus rescued us?

I wonder what you are doing to prepare for Jesus' birth at Christmas?

Dear God,

Be the flame to light my way through the dark times

be the flame to warm my soul through cold times

be the flame to cheer my heart through the sad times

be the flame to spark and sing through the silent times

as I wait for Jesus to come. Through Christ our Lord, Amen

Night night, sleep well, God bless x
